

AGT Supply is a U.S. small business in Cypress (Houston), Texas. We supply hardware, bearings, hose and fittings, valves and air conditioning parts to the Defense Logistics Agency and other government buyers. Each part is sourced from its manufacturer or an authorized distributor, packed and marked to the contract in-house, and delivered with its traceability documents.

CORE COMPETENCIES

- Sourcing of exact manufacturer part numbers and NSNs from the manufacturer or its authorized distributors
- Military packaging and marking done in-house (MIL-STD-2073-1, MIL-STD-129, ASTM D3951)
- Traceability to the manufacturer and a certificate of conformance with every order
- Quoting and contract administration for Defense Logistics Agency requirements through DIBBS

DIFFERENTIATORS

- One accountable point of contact from quote to delivery
- Authorized sources only: no brokers and no untraceable parts
- Nothing ships until the package, labels and documents are checked against the contract
- CMMC Level 1 self-assessment completed for the handling of contract information
